

DUKE OF EDINBURGH EXPEDITION - SILVER LEVEL

Activity Type:
Outdoors

Date:

October 2021 -
November 2021

Referee:

Mr. Aktansoy at the
English School of
Kyrenia

Description:

We travelled approximately 60km during the practice and real expeditions through the mountains with massive bags behind our backs. We also had to set up our tents, cook our foods on portable camping cooking sets and learn first-aid. DofE was a huge commitment and achievement which helped me learn new skills, taught me how to overcome obstacles, made me find a ton of new friends, created unforgivable memories, built me confidence and resilience.
